

Green Conferences at Mountain Lake

What makes Mountain Lake Conservancy and Hotel an excellent choice for a green and sustainable meeting destination?

The elegant and refreshingly simple environment provides for a comfortable yet invigorating change of pace for meetings and conferences.

Bring your business to a meeting experience that will ebb the corporate setting and rejuvenate them in nature.

Green Meeting Amenities:

- ♦ Recycling bins provided for plastic, aluminum & glass and mixed paper.
- ♦ Bulk water and beverage pitchers provided.
- ♦ Reusable cutlery, dishware, coffee mugs and linens.
- ♦ Use of eco-friendly 100% compostable coffee cups and other non-Styrofoam to-go products.
- ♦ We encourage the use of recycled-content paper and double-sided printing for your conference materials. Carpooling to Mountain Lake is highly suggested.
- ♦ Green Programming for your business. Incorporate a guided hike, naturalist program, or team-building activities into your meeting.
- ♦ *The Mountain Lake Conservancy offers 2,600 acres of mountain-top wilderness for your group to explore!*

Mountain Lake Hotel:

- ♦ Optional towel and linen service
- ♦ Eco-friendly toiletries
- ♦ Energy-efficient lighting
- ♦ Water conservation and on-site waste water treatment system
- ♦ Fresh, cool mountain air replaces the need for air conditioning
